Laconia, February 6, 1932.

The members of the County delegation received an invitation to inspect the County Farm; twelve members were present as well as several selectmen of various towns in the County. A bountiful but plain and inexpensive dinner was served.

An informal vote was taken to meet for dinner with Rep. Bridges sometime in June, each person to pay his share of the dinner expenses, Mr. Bridges to set the date.

Formal meeting was called to order at 2:00 o'clock by Chairman of Delegation. Roll call showed all delegates present except Little of Barnstead and Nichols of Center Harbor. Two of the representatives have passed away since adjournment of legislature.

Mayor Carroll, Fire-chief Spring, County Treasurer Dinsmoor, County Solicitor Jewett, members of the City Council, and various Selectmen were present, as well as County Commissioners Morrison, Weeks and Smith.

Chairman of Commissioners John Morrison gave a complete financial statement of receipts and expenditures to date. Showing a deficit for the year 1931, \$42,571.40.

Chairman of Delegation Friend asked for expression of opinion from those outside the delegation. Chief Spring stated that from a fireman's point of view the County Farm is in A. No. 1 shape and complimented Commissioners on repairs made.

Chairman Friend stated that main issue was whether the money should be raised at the present time to take care of indebtedness, or if taxes should be raised.

Wallis of Sanbornton asked what this would mean to each town. Treasurer Dinsmoor answered the County tax would be raised approximately one-third. Com. Morrison

read amount of County tax now paid by each town and by the City of Laconia.

Henderson of Gilford asked how much tax-rate in Laconia would be increased. No definite answer was given.

Selectman Hammond of Gilford asked if money can be raised on bond issue without legislative action. Answer being no, question became narrowed.

Chief Spring stated ways should be devised to save on groceries bought and rents paid. Discussion by Com. Smith, Rep. Young, Rep. Wallis and Mayor Carroll.

Rep. Young inquired just what Commissioners wished: Com. Smith answered they recommended that amount overrun be raised plus interest charges due.

Mr. Veazey suggested short-term notes might be sold to individuals, also suggested if necessary, an accountant be secured to assist in method of repaying notes, so that no big amount must come from taxation any one year. Mr. Veazey stated signs in his box business indicates business was beginning to pick up.

Com. Smith described work of welfare worker supported largely by Rotary and Kiwanis Clubs, stating she had probably already saved the County \$100 per week. Mr. Smith also stated he believed County should live within its means.

Rep. Schultz asked for information as to questionnaires to those asking help, which Mr. Smith answered, also gave details of plan by which grocers would be asked to charge uniform price.

Delegation then went into executive session.

Rep. Young then read resolutions as to issuing of short term notes which was thoroughly discussed. Commissioners invited to come in, also County Treasurer. Treas-

urer Dinsmoor stated resolution was of no value. Resolution withdrawn.

Discussion. Rep. Quimby moved that appropriation of \$43,000 be added to 1932 appropriation.

Com. Smith thanked delegation for presence and work accomplished and felt that people who had voted no had also voted according to their best judgment.

Upon motion as introduced by Rep. Quimby, a favorable vote was taken. Roll-call was demanded.

Yeas: Varney, Friend, Bridges, Guay, Edgerly, Wiley, Stafford, Merrill, Young, Quimby, Neal, Plastridge, Sanborn.

No. Wallis, Hammond, Gile.

Rep. Young read resolution. Resolution adopted.

Com. Morrison read report of expenses of register of deeds.

Moved secretary send letter of sympathy to Mrs. Flanders.

Chairman Friend repeated motion as to dinner at Rep. Bridges and invited commissioners to be present.

Adjourned.

ETHEL J. HAMMOND,

Secretary Delegation.

COMMISSIONERS' REPORT

To the Citizens of Belknap County:

In compliance with the laws of the State of New Hampshire, the Commissioners of Belknap County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of the Farm and House of Correction, Clerk of Superior Court, Sheriff, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1932.

Mr. and Mrs. William J. Hartford, superintendent and matron at the County Farm have conducted all matters coming under their supervision in a most satisfactory and business like manner.

Our farm buildings, although of the oldest in the state, have been made as attractive and homelike as many of more recent design. Much redecorating has been done over the house and eight unused rooms have been newly furnished for the accommodation of inmates. One important improvement, which has proved very satisfactory from the standpoint of comfort and economy, is the installation of a maternity ward.

The main house and some of the smaller buildings have been shingled. A vegetable cellar thirty by forty feet has been built to supply storage for the many vegetables raised on the farm. The labor for these and minor improvements, as well as the usual farm work and wood chopping, were done by the unemployed of the county.

We extend our thanks to all those who have co-operated with us in our efforts to make conditions better and life more pleasant for those in our care.

Our Chaplin, Rev. Frederic Fitzpatric of Belmont, has contributed a great deal to the spiritual well being of our people and we wish to thank him for his generosity and devotion.

Respectfully submitted,

JOHN MORRISON
FRED R. WEEKS
JOSEPH F. SMITH

Belknap County Commissioners.

Laconia, N. H., Feb. 9, 1933

To the Citizens of Belknap County:

It becomes my duty to make a report for my department for the last year and in so doing I wish to advise that all matters are in hand and being properly cared for. A lengthy report could be made each year but there are so many matters of minor importance that I feel that it would be unwise to expend the money of the taxpayers for the printing of a voluminous report. At the October Term of the Superior Court there were

eleven indictments brought in. Nine of these cases have been disposed of and I expect one other will be taken care of on a plea in March while there will be a trial in the other remaining case. The expense of running the Solicitor's Department which includes the supervision of the bills of the sheriff and his deputies, I have endeavored to keep at a minimum. The apprehension of criminals is an expensive matter and in addition the County has to bear the expense of criminal investigation and of witness fees. There are many appeals in misdemeanor cases where the fines to be obtained in the event of a conviction are but a small part of the expense to convict. This seems unavoidable under our procedure.

My office has advised a great number of people in all lines of County work and my correspondence has also been voluminous, particularly in relation to non-support cases. However I have furnished the public at large and the Commissioners with such advice as they have sought. Many cases have been prosecuted in the various municipal Courts in the County.

Respectfully submitted,

THEO S. JEWETT, Solicitor.

To the Citizens of Belknap County:

I herewith submit my report for the year ending December 31, 1932.

Respectfully submitted,

FREDERICK D. ELLIOTT, Sheriff.

February 15, 1933

To the Commissioners of Belknap County:

Gentlemen:

In submitting my first annual report as Chaplain of the Belknap County Farm, I can truly say that it has been a real pleasure to minister to the unfortunate poor, those who are being boarded at the County Farm by their friends, and the inmates of the Jail and the House of Correction. During the year services have been held each month with special musical programs, having in mind that in spite of the fine care and treatment which the inmates are receiving at the hands of Superintendent and Mrs. Hartford, their burden of

loneliness and disappointment with the outcome of life has been great. All of the services, the attendance of which is optional, have been very well attended, with a fine spirit of interest and reverence shown. It has been my privilege to minister to the sick and dying, and to give words of comfort and counsel to those who have been led astray.

During the year I have found you as Commissioners very sympathetic to the spiritual needs and comforts of the inmates at the Farm. I feel sincerely grateful for the splendid spirit of cooperation which Mr. and Mrs. Hartford have shown in the work which I have endeavored to do. I lament greatly the lack of interest shown upon the part of our people in Belknap County in behalf of the inmates, some of whom seem to be entirely forgotten by their friends and relatives. I think it would be a very fine thing if the churches and various organizations of the county could so arrange it that at least one entertainment a month might be held at the Farm, as we want to do everything we can to lighten the load of the inmates. If, perchance, any readers of this report should be interested in the above suggestion, I would be very glad to have them correspond with me.

Trusting that you may be given the strength and the wisdom so greatly needed in the conduct of the affairs of Belknap County, I am,

Very truly yours,

FREDERIC W. FITZPATRICK,
Chaplain.
